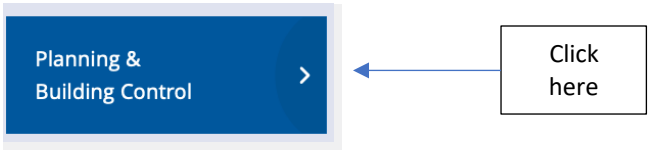
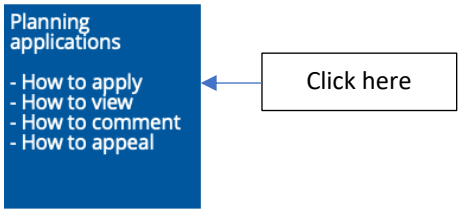
How to comment on a planning application

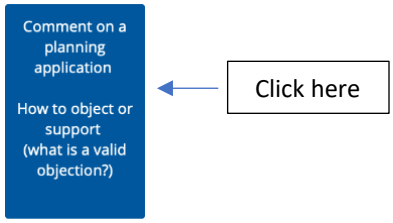
1. **Log on to the Adur and Worthing Website Site: https://www.adur-worthing.gov.uk**

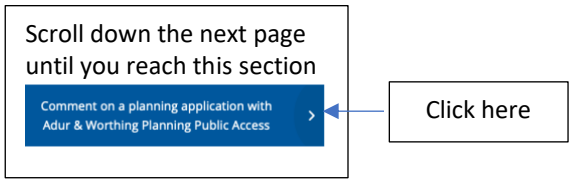


2. **This takes you to the Planning & Building Control Section**

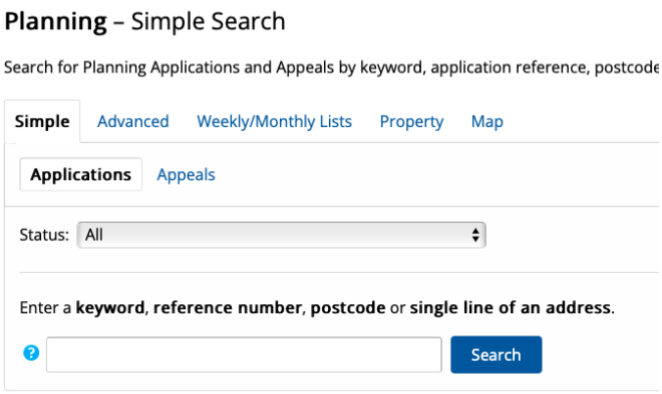


3. **This takes you to the Planning Applications and planning permission page:**



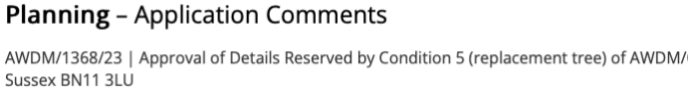


4. **This takes you to the following page:**



Enter the application reference or the relevant address information in the Simple Search Box. The relevant application will either be displayed or you will select from a list of possible applications.

Select the 'Comments' Tab.



5. In order to make a comment on a planning application you must register. If you are already registered then click on Login and make a comment.

   If you are not registered then click Register here and it will ask you for your details. Once you have logged in/registered you will be able to complete your comments on the application.
